entire 30 minutes of the press conference as he responded to questions covering a wide range responsibility." of domestic and foreign matters.

One of the first questions directed at the President was what he thought would be the political impact of the Bobby Baker case. He said this was a matter with which the Senate is concerned and he was sure that proper action would be taken. The President added that it remained to be seen what the consequences would

In response to other political questions the President refused to say whether he would debate the Republican presidential speculate on who that nominee matters: will be.

As for the boom in some quar-

dency during his 30 years in we are doing our dead level Washington but has received best to find a solution."

He added that he was deeply impressed by the unity displaced by the people after the "tragic affair of last November" when the assassination of President Kennedy brought him into the White House.

He said he was impressed with the way the cabinet and other top officials had carried on and with what Congress has done. During the crisis, the President said, the Nation conducted itself well with "men and women of good will" working together.

In response to questions, the nominee and declined to President commented on other
